MUNICIPAL BRANCH

Sir,

I have the honour to enclosing herewith the records received from the President Town Municipal Council Bhadravati, regarding the revision of scales of employees working in the Municipality, & have the honour to state as follows:

The scales adopted in respect of Clerks, Revenue Inspector, Sanitary Inspector, Menials, Scavengers and Sweepers, are in conformity with the grades sanctioned by Government for Revenue and other departments. This will afford a scope for interchange of officials in superior service between local bodies & Government Departments. The scale of Bill collectors and Cotrol Sergeants is similar to grades sanctioned for Illrd class vacancies affording scope for promotion to 2nd Class vacancies in Municipality.

Proposals statements in duplicate in respect of the revision of the establishment & scales & incorporating the several Government orders sanctioning the post. The average increase in cost works out to Rs 370 p.m., or Rs 4440/- annually. Financially the Municipality is in a position to maintain the establishment & the revised scales. At present, the annual income may be estimated to be approximately Rs 30000/- but the expenditure on establishment & the revised scale may amount to Rs 8000/- per year.

In the circumstances, I request you to kindly obtain sanction of the Government for the revision of scales of the employees of Bhadravati Town Municipal Council.

I have the honour to be,
Sir,
Your most obedient servant,

Sir,

With reference to your letter No I 16463/M1 104-47-36 dated calling for further information in connection with the proposals for the revision of scales of pay of employees of Bhadravathi Town Municipality, I have the honour to state as follows

The appointments for which proposals for revision of Scales were made by the President are in accordance with the appointments detailed in the scale register which were verified during office inspection in June 1948

As regards revision of scales in respect of menial staff such as Sweepers, Scavengers and Peons, the President, Municipal Council has enclosed a copy of the letter received from the Secretary New Town Board, Mysore Iron & Steel Works, Bhadravathi, detailing the pay of the staff in the New Town Area, of the class under reference The Council have passed a resolution on 24-5-48 stating that the scales now proposed are lesser than the scale in force in New Town Area and if further reduced, it would be very hard for securing staff The copy of the resolution is enclosed for kind reference

I agree with the opinion of the Council since Bhadravathi is an Industrial area and request for sanction to the scales proposed as otherwise it will be hard for the Council to have the required staff

Subject - Appointment of a separate scavenger on a pay of 16-½-20 by the Bhadravati Town Municipality

---

Adverting to G O No L 18011-2/M1.9-47-75 dated 22-6-48 sanctioning a separate scavenger on Rs.14-½-18 for attending to the cleaning of the newly constructed public latrines in Bhadravati Town, I have the honour to state that the scales of pa of the sweepers and scavengers of this Municipality have been revised by the Municipal Council from Rs.12/- to Rs 16-½-20 and sanction of Government is sought for to the resolution of the Municipal Council to the revision of scales Since Bhadrava is an industrial Town and the cost of living is very high and in view of the attractive wages given by the Mysore Iron and Steel Works, it is very difficult to secure sweepers and scavengers on low wages Considering all these aspects, the M cipal Council have proposed to revise the scales to Rs 16-½-2 and the proposal is pending sanction of Government
